Changing the way we work

Product Guide Price List

Introduction

Product Guide 2024

Our partnership with Specialist UK and International Manufacturers offers a full range of affordable Height Adjustable Desk and Table Solutions.

We present a wide range of Electrical Standing Desks and Manual Winding Handle Desks and Tables plus the option to purchase Desk & Table Frames only, to enable easy self-assembly and the fitting of your preferred work surface.

Top Finishes available on most ranges include Wood Grains and Plain Finishes, see back of Catalogue.

Metal Finishes can include EPC Silver, Black, Grey and White dependent upon the product chosen.

We want to make it easy to choose the correct Height Adjustable Desk for you.

To help you decide which desk to purchase - Please consider.

Will you alter the height often?

Who is the product to be used by?

What top shape and size do you need?

Do you need unit Mobility?

If so consider Electrical Mechanism

Consider the height range of the Unit.

A full range is available.

Consider fitting locking Wheels

All products are grouped by type ie; Manual Winding or Electrical Operation and each has a link to the webpage where more product information is available.

Height Adjustable Desks.com strives to ensure excellent product quality and greater value for money than available anywhere else, plus a National and International Delivery service all supported by our fully trained product advisors and customer care team.

We hope that you will find the products you need but if not just call one of our friendly product advisors who will be delighted to assist.

We offer an online purchasing facility and we will also contact you after purchase to discuss any product queries you may have and the delivery method, as we feel that each transaction requires the personal attention of a product advisor, in order to avoid any errors or misunderstandings and to provide the reassurance that the product selected is correct for you and your application.

All prices are exclusive of vat at the ruling rate. For more information please visit our terms and conditions of sale

Our product range is continually being updated and this product guide is only a representation of the products offered. For more information and to confirm pricing on any of our products please visit the website.

Important Information

Whilst every effort has been made to ensure the accuracy and validity of this Product Guide and Price List. We cannot accept any liability for any errors or omissions how so ever caused.

All prices featured are nett cost. Vat is applicable at the current rate.

All products are delivered Free subject to our Delivery Terms and Conditions. [Please refer to our website for more information.](#)

Due to a policy of continuing product development, we reserve the right to change details or discontinue products without prior notification.

HeightAdjustableDesks.com is committed to quality throughout the order and despatch process. All items are inspected for faults by the relevant manufacturer prior to despatch and should give satisfaction when used for the purpose for which it was designed and intended.

In the event of product component failure or damage we will replace at no charge any faulty component. Provided that the fault occurs within the published guarantee period for the product and the product has been used for the purpose for which it was designed and used in accordance with manufacturer's recommendations.

In the rare event that the fault cannot be rectified a full refund will be offered.

All dimensions are in millimetres unless otherwise stated.

Where applicable conformity and test certificates in support of the products are available upon request.

We offer free telephone advice on product suitability. Please discuss your requirements with one of our product advisors.

Due to the diverse specification of our products, we do not always offer an online purchasing facility. We need to be confident that you are purchasing the most appropriate product for your purpose and sometimes prefer to engage in a brief outline discussion with all final instructions provided in writing.

This policy ensures quality and customer satisfaction and reduces to a minimum the opportunity for errors and misunderstandings.

Please note: The majority of our products are manufactured to order and cannot be cancelled without incurring cancellation charges. We apologise but we do not offer trial periods on any of our products.
